### April 19<sup>th</sup> Board Meeting Highlights:

February and March minutes were approved. Treasury balance reported as \$2,652. One new and one membership renewal was submitted. Expenses approved include: annual website hosting service and August Show Champion of Champion awards. The Date Tree Classic Show Report was reviewed and the Spotted Valley and CZ’s co-hosting efforts netted a successful & positive bottom line of over \$2,500. This profit will be split between both Clubs. The Board confirmed the July show location to be Riverside Rancheros and approved the contract. The facility show expense will be sponsored by Bruno Farms – Thank you Leigh! Plans are in motion for BBQ Lunch too. Riverside Rancheros is a covered arena with lots of parking, permanent restrooms and other amenities. (Vista Palomar was not available on our needed show date). Board is looking at various facilities for future single point shows because VPR continues to raise the facility cost. Parade Committee displayed the award plaque received from the Swallows Day Parade. Announced the group is seeking riders for a parade in Valley Center on Saturday, May 28. Contact Leslie Foxvog. The CZ Website continues to be updated. Directors continue to seek membership pictures and input. August Summer Fun Show planning continued.
